

Instructions: Copy this page on a color paper of your choice. Cut out the window indicated on the pattern. On the second page, cut out the labels and pictures and place in the correct sequence. You may wish to color the pictures of the jellyfish clipart before cutting. You may also wish to include an information card to go with this circle wheel book to explain each of the cycles. Clipart pictures and information can be found at <http://www.aquarium.org/jellies/cycle2.htm#egg>
