

Buying a Goldfish

Name: _____

Date: _____

When the fish stops swimming, does he sink or float?

Are all fins present?

Any bent fins?

Are eyes nice and clear and of equal size?

Any sign of disease or parasite?

Is the goldfish actively searching for food and darting around the tank?

Are there any dead or dying fish in the main tank?

How old is the fish (ask)?

How does the age of the fish affect your feeding plan?

What type of goldfish is it?

What do you notice about the way the fish are acting in the tank?

What, if any, other kinds of fish are being housed with the goldfish?
